

SECTION 4: WRITING

Choose ONE of the following topics below and write an essay of 350-500 WORDS. Your essay will be graded according to content, organisation, and language use.

Your essay should have at least four paragraphs, including: an introduction paragraph, at least two well-developed body paragraphs with details/facts/examples, and a concluding paragraph.

1. Some people think that social media helps people while others support the idea that it harms them. Which side do you agree with? Use specific reasons and examples to develop your ideas.
2. In some countries teenagers have jobs while they are still students. Discuss the advantages and disadvantages of working while studying by using specific reasons and details.
3. Many students get stressed while studying for university entrance exam. Discuss the solutions to reduce the stress level.

You may use this space to make any notes necessary or create an outline. These notes will NOT be graded.
